DEATHS.

LAUGHLIN.

On Monday morning, July 4th, the death angel entered the home of Isaac Laughlin and took away his devoted wife. Mrs. Laughlin was 70 years old and had been married for 53 years. She joined the Christian church when a very young girl and had always led a Christian life and was a devoted wife and a loving and gentle mother. Funeral services were held at the Christian church in North Middletown and the burial was in the North Middletown cemetery. She is survived by her husband and ten children who with many friends mourn her loss.

WILLIAMS.

Winfield S. Williams, only son of Capt. and Mrs. J. T. Williams, of Spring Station, Ky., died after a lingering illness at St. Joseph's Hospital last Friday night. "Wink," as he was generally called, was a well known trainer and owner of thoroughbreds, having trained and raced such good performers as Proofreader, Ram's Horn, Phil Finch, Hans, Fundamental and others. He had just begun training the now famous Governor Gray when overtaken by the illness that caused his death. Deceased was 28 years of age. He was a kind and thoughtful brother, a loving and dutiful son. Sad indeed is death when it comes in the morning of life, especially when nature is gowned in her most radiant attire, and everything seems so bright and happy; but sorrow and death must come to all and we can only bow our heads in submission and say: "Lord, thy will not mine, be done," soothed and sustained by an unfaltering trust in God's wisdom. He is survived by his parents and Miss Laura Williams, of Spring Station; Mrs. R. Neville Smith, of Eminence; Mrs. J. T. McGlothlin, of Franklin, and Mrs. G. B. Senff, of this city. Funeral services were conducted at "Stockwood," near Midway, Sunday, July 10, at 2:30, after which the remains were laid to rest in the Frankfort Cemetery.

The many friends of Circuit Judge Allie W. Young will be glad to learn of his return to Kentucky from Hot Springs, Ark., where he has been for the past two months. He is looking fine and says he feels as well as he has in many years. Hundreds of Democrats from every section of the State are soliciting the Judge to make the race for the Democratic nomination for Governor, believing he can more easily redeem the State from Republican mis-rule than any other person. Naturally he appreciates the compliment but has not yet determined whether he will get into the fight or not.
